

3.6.2 The Black-White gap in net wealth and gross assets

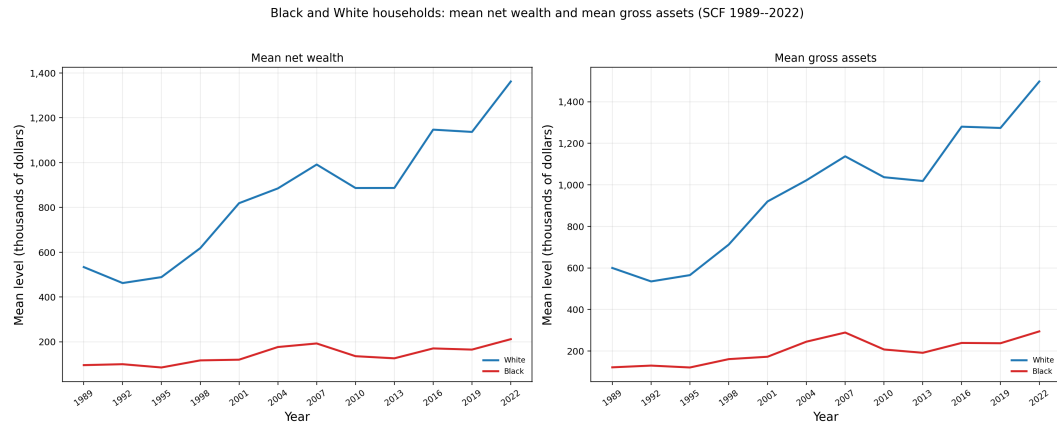

Figure 3.1: Mean net wealth (left panel) and mean gross assets (right panel) for Black and White households, SCF 1989–2022.

Figure 3.1 plots race-specific means before differencing: White household means lie above Black means in both net wealth and gross assets throughout the sample.

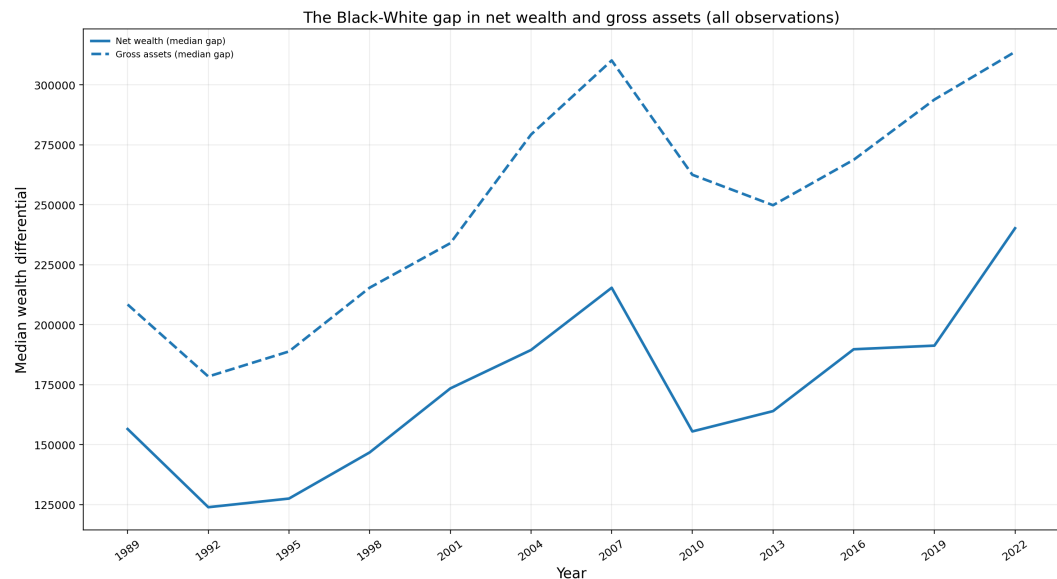

Figure 3.2: The Black-White gap in net wealth and gross assets: median wealth differential, SCF 1989–2022.
